Summer term 28/05/21

Dear Parents and Carers,

Thank you for your support this term. I am hopeful that during the final half term of the year we will be able to welcome you into the building and on to the grounds to share your child's learning.

It has been a difficult time for everyone and we have missed your presence both as volunteers, experts to help with our REAL Projects and co-learners with your children. It's not the same without you!

Staggered start and finish times will remain in place after half term and we are grateful for your care and patience at the beginning and the end of the day in the car park. It's lovely to see so many parents and children cycling and scooting to school - please remember to dismount when you cross into the school to keep everyone safe.

Look out for Year 6 work considering the G7 Summit that will be on display in St Mary's Church - it is beautiful, thoughtful and we are proud of them.

Next term we will prepare children for their next classes. As always we will let you know the staffing and class structure towards the end of the term. Please let your class teacher know if there is anything that you think we need to consider when transitioning your child. You are always welcome to speak with us directly.

I hope you have a warm and safe half-term and remember the INSET day on Monday 7th June.

Angela Clay

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. This is especially important if your child is currently in Orange Class (Year 2) as from September these children will not be eligible for free meals just because of their age. You will need to apply if you think you are eligible because of your income.

Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

Hooray the library is open again for daily reading!

After half term

we are all very excited to be able to use our lovely library every day! It has been disappointing not to be able to use the library as we used to, but great news, now all the children will be able to use the library and will be bringing their reading or Accelerated Reader book home daily to enjoy after school. We know the children are really looking forward to choosing one of the many bright, interesting and fun, brand new books delivered by the library van recently! Our children love discovering what we have in the library and our stock is refreshed termly. For them to develop a love of reading for wonder, fun, relaxation and enjoyment and to make the best progress, it is very important for your children to read every day at home in addition to our school sessions, so please can you help by making sure your children remember to bring their book into school daily.

Please come and support our Year 6 Hawaiian Project Outcome at the Jubilee Pool Market. On Friday 28th May 2021 and Friday 11th June 2021 from 10am-1pm.

We will be selling our beautiful artwork to raise money for The Wave Project locally and Surf Riders in Hawaii to help with children's well being. PS. there is still time to donate to our raffle prizes to raise money.

Many thanks
Team Turquoise

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

Nehe Team Turquoise! How are you feeling and why? Today we are going to be doing an R.J. Session between Peter Rabbit and Mr. McGregor...who would you rather be Peter or Mr. McGregor...why?

- Restorative Justice Questions**
1. What happened?
 2. What were you thinking? (At that moment)
 3. How were you feeling?
 4. Who else was affected?
 5. What is needed to make things better?
 6. How can we move forward?

Well done Kaden, Team Turquoise Star of the week for being a calm, patient, caring and confident facilitator in a Restorative Justice Session.

- A Restorative Facilitator is**
- calm
 - curious
 - fairly vulnerable
 - asks, doesn't tell
 - asks open, questioning
 - has own body language
 - owns silence

Sophie: Mr McGregor, what happened?
Mr. McGregor: What happened? What happened was that little rodent came into my garden and ate all of my vegetables. They're my vegetables. It's my garden.
Kaden: Peter, what happened?
Peter: He killed my Dad and ate him in a pie!
Mr. McGregor: And very nice he was too!
Kaden: Okay...you're getting a bit angry so you may need to try and get some deep breaths as you aren't calling each other good names...deep breath Mr. McGregor, deep breath Peter.
Mr. McGregor: Okay...
Sophie: What were you thinking? (At that moment)
Mr. McGregor: I was thinking that...that little rabbit has eaten all of my vegetables. I was very, very angry. I have to plant nearly every day new vegetables and each day he comes in with his little friends and eats them all! It's not fair!
Peter: We don't eat them all!
Mr. McGregor: Well you eat most of them and then you trash the rest.
Peter: Only because you chase us around and try and kill us.
Mr. McGregor: Because you shouldn't be in my garden.
Kaden: What were you thinking? (At that moment)
Peter: I was thinking that I need to get in, get some food for my family and get out as fast as possible without getting seen or hurt.
Kaden: So you were feeling a bit panicky when you were doing it?
Peter: Yeah.
Kaden: Thank you.
Sophie: How were you feeling?
Mr. McGregor: I was feeling very, very angry. It's not right, it's my land, my garden, my vegetables! He has no right to come into my garden...it's my kingdom.
Kaden: How were you feeling at that moment?

Peter: I was feeling a little bit scared knowing that me or my friends could be put in a pie or eaten.
Sophie: It does sound quite scary. Who else was affected?
Mr. McGregor: Me and my vegetables!
Kaden: Thank you. Who else was affected?
Peter: My family, my friends and almost every other animal that depends on the food in that garden.
Sophie: What do you think is needed to make things better?
Mr. McGregor: Well, I suppose we could compromise. My garden is quite large I suppose. I never really thought about them being scared of me. So maybe I could give up a small bit of my land for them to have their own vegetable plot.
Kaden: What do you think is needed to make things better?
Peter: I agree with Mr. McGregor and I didn't know that he didn't know that I was scared.
Sophie: How can we move forward?
Mr. McGregor: I suppose... I could stop chasing them as long as they don't come on to my bit of land. I can show them how to grow their own vegetables and maybe we can work along side each other.
Kaden: Thank you. How can we move forward?
Peter: Well, maybe we can help each other and apologise and stop remembering too much about the past and look to the future.
Kaden: Thank you.
Mr. McGregor: I'm sorry.
Peter: I'm sorry too.
