Summer Term Week Beginning 6.5.24

## Mrs Ambrose's Weekly Update

Dear Parents, Friends and Families,

At last the sun has decided to come out and what a difference it makes. The children have enjoyed utilising our wonderful school grounds for Forest School and outdoor learning. A change from the soggy but successful field trips the previous week! The lollies on a Friday are a very welcome treat and this will be a weekly event til the end of term.

Although we are still trying to shake off some persistent coughs and colds I am pleased that our weekly attendance is still holding at 92%. Thank you everyone for your continued co-operation to ensuring our attendance is improving all the time. It was noted by Ofsted that this was a real strength of the school and continues to show a positive way forward. If for any reason you need any support with your child's attendance at school please do get in touch with Mrs Miles, our Pastoral Lead, or myself - we are keen to help you in any way we can.

Our Y6s have been doing their last bits of revision before the KS2 SATs assessments that take place this coming week. As always we wish them all the best and will be encouraging them to show off everything they have learnt. We will be providing a special SATs breakfast so can parents please ensure all our Y6 children are in school early to take advantage of this and so we can settle and prepare children for their tests.

Now that we are in the final term of the year there are a few important dates for your diaries:
