

Dear Parents, Carers and Families,

Despite all the horrible sickness bugs experienced by both children and adults this week I am really pleased to see our attendance upto **93.2%** 😊 95.1% is the national average, so we are getting closer all the time. Well done everyone and thank you!

Our Key Stage 2 pupils have had an adventurous week. Sennen class enjoyed riding the waves at Gwithian on their Surf Day on Monday with Porthcurno Class having their turn on Tuesday. In assembly today there was a resounding YES! Thumbs Up and Awesome! when the children were asked if they had enjoyed this fantastic experience. Our **weekly forest school** sessions in school are also going really well with the children enjoying learning new skills and working together in a team.

You may have noticed that we have cleared a lot of the **EYFS playground** over the last couple of weeks – we are looking forward to refurbishing this area and have some great plans which hopefully we will be able to share with you soon. Also, **Gwenver parents**, just a quick reminder that there is an open invitation for you all to attend the **Read, Write Inc Phonics meeting on Friday 2.30p.m** to give you advice on supporting your child with early reading. All those that attend will receive resources to take home and share with their child 😊

We have been impressed that through the teaching about **online safety** in school children are now good at telling us what to look out for in order to keep safe and how to behave online. However, Teachers have noticed that some of our older children are having lively conversations about the online games they are playing for example; Call of Duty and Grand Theft Auto. We just want to bring this to the attention of our parents so that you can ensure you are monitoring what your children are accessing on Play Stations, X Box, online etc as these games are not age appropriate due to their adult content and in some cases have age restrictions of 18+

The **new menus for autumn term will be out soon** and there is more emphasis on hot meals now that the weather is turning. So just to let you know that sandwiches will not be an option.

Today is **National Teaching Assistants Day!** I would like to take this opportunity to thank all our wonderful Teaching Assistants and Support Staff for their commitment, hard work and never-ending encouragement to the children of Pensans School – we couldn't do it without you!

Have a great weekend all.

The safeguarding of our children and school community is intrinsic and integral to all that we do at Pensans. In the everchanging online world that we all live in, Online Safety is and will continue to be kept high profile within the tapestry of our everyday learning and teaching at Pensans.

THIS WEEK'S FOCUS IS ON: GAME AGE, PURCHASES + NSPCC

ONLINE SAFETY WEEKLY

Is the game age appropriate?
 Before buying the game, check that your child is old enough to play it. All games will either have a PEGI rating or be rated by the App Store /Google Play. UK Safer Internet Centre have published a blog, which shares tips on what to do if your child asks about playing a new game:

- <https://saferinternet.org.uk/blog/help-my-child-wants-to-play-games-that-are-too-old-for-them-2>

In app purchases
 In addition to the above, you should be aware of in app purchases as lots of games include the option to purchase additional items/subscriptions so ensure you do not have payment cards saved or set up restrictions/pin code to approve.

Further information
 The NSPCC provide further guidance and support regarding this topic:

This week, KS2 have been lucky enough to take a trip down to Gwithian beach, where they were taught to surf. Despite the wind, it was an amazing 2 days and children really throw themselves at it with a few of them managing to stand up and catch a wave or two back to shore! Thank you to Global Boarders! You taught us how spending time at the beach and in the sea doesn't not only teaches us new skills and water safety but supports our well-being and is good for the souls/spirits too!
