

Pensans Post

Spring term 01/04/22

Dear Parents and Carers,

It's been a brilliantly creative week at school! I was thrilled to see the creativity in Bumblebees during our Virtues Assembly on Tuesday - I'd like to say a big THANK YOU to children and staff for sharing their inventions 'Pea Traps', boats, planes and presents that were a joy to share and explore with them.

Our Chair of Governors Revd Sian Yates has been impressed throughout her Community Assemblies by the older children's curiosity, empathy and creative thinking. Your children are engaged in their learning and school community in a way that is a credit to you and Pensans School.

Today the Government has issued updated guidance regarding Covid 19 which you will find below:

- children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days

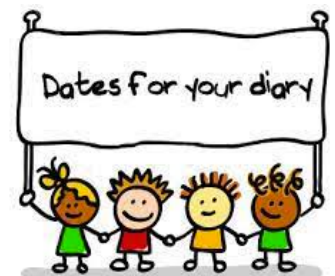

We have a **48 hour rule** before children can attend school following an episode of **diarrhoea and vomiting**; we will have a **3 day (72 hour rule)** for children to return following a positive **Covid** Test result.

The school will continue to follow good hygiene protocols of hand washing, ventilation and cleaning frequently used surfaces.

As I told you in a previous newsletter we are sadly saying goodbye to John Tallon next week. I am sure that you will join me in thanking him for the contribution he has made to the school and wishing him good luck in his new job.

Thank you to Sam and the PTA for organising the Easter Raffle and Egg Hunt! In the Summer Term with better weather and the change in Covid guidance I am really looking forward to many more sociable school events and REAL Project outcomes.

Have a great weekend!
Angela Clay

Love

You are practicing

Love

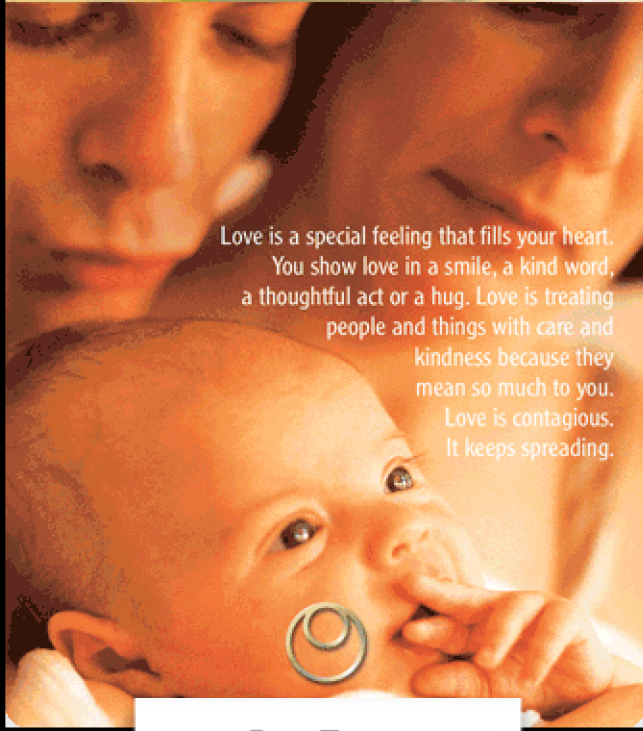

when you...

- Treat others as you want them to treat you
- Say kind and loving things
- Share your things and yourself
- Love people just as they are
- Take good care of the things you love
- Do what you love and love what you do

Affirmation

I am a loving person. I show my love with thoughtful acts, kind words and affection. I treat others the way I want to be treated.

Love is a special feeling that fills your heart. You show love in a smile, a kind word, a thoughtful act or a hug. Love is treating people and things with care and kindness because they mean so much to you. Love is contagious. It keeps spreading.

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

Bradford's Community Cup Schools Rugby Festival

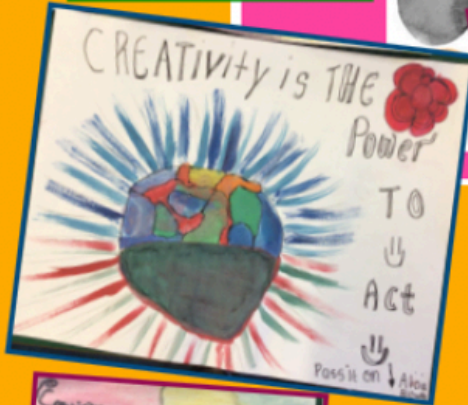

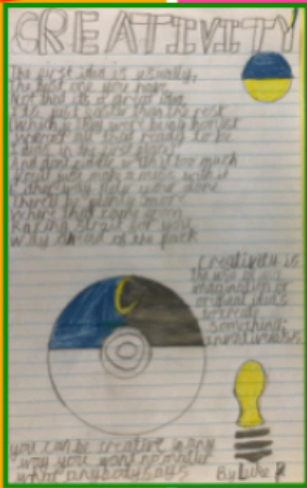

On Wednesday 13 year 5 children represented the school in a rugby festival at the Cornish Pirates. The children all had a fantastic time, showing real determination, respect, unity and enthusiasm. It was a real joy to see them having such a good time and they made us extremely proud. At the end of the festival, the children received medals and t-shirts!

Morning Team Turquoise! It is my favourite day of the week... Blank Canvas Monday...in case you didn't know! I am feeling a curious and ready to discover new things 8 today. How are you feeling and why? So, whilst thinking about all the discussions about Ubuntu that we have had so far and our virtue of creativity this week...what does creativity mean to you and why? Use a medium of your choice-cartoon strip, drawing, paragraph of writing etc to demonstrate what it means to you.

Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes, and having fun.

A huge thank you to Butterflies children and their families for raising £53.60 doing their sponsored walk and ball games to raise money to support Ukraine.

31st March 2022

Dear Mrs Mungles

We would like to say thank you so much to your pupils for the very generous support they have given to the Ukraine Project that we at The Salvation Army are trying to help.

The donations of clothes, toiletries, food etc will be transported very soon to the Ukraine borders.

It was lovely to meet some of your pupils who were very friendly and helpful to us.

We think your golden rule 'Treat others as you would like to be treated' is an amazing way of 'Helping to make our world a better place'.

Thank you again

Penny & Carol
