Mrs Ambrose's Weekly Update

Dear Parents, Families and Friends,

I have some really exciting news to share! Earlier this term we applied to be part of a pilot programme run by the Clore Duffield Foundation to provide additional funding to schools for school trips.

Only 12 schools across Blackpool and Cornwall will be involved in this pilot and we have now heard that we were successful in our application and one of the chosen schools! This is amazing news as the funding provides for every child in the school from Reception to Year 6 to take part in six off-site trips next year. Mrs Simpson -Edmunds and I are busy getting a plan together for next year now and can't wait to embark on new adventures with the children.

Yesterday Sennen class had a brilliant visit to Vellyn -Trembothick Farm near St Buryan. The educational activities included: Well-being in nature, food to fork, studying minibeasts and insects and ending the day around the camp fire making damper bread on the fire - be sure to look at the photos on the school Facebook page. Today Porthmeor had a fabulous morning out at Trevaskis Farm they enjoyed meeting the animals and had snack time at the café. A great time was had by all 😊 Back at school Porthcurno class have had great fun learning about the Hindu religion and thanks to Mrs Farnham have been taste testing some authentic foods in a Hindu celebration.

On the theme of celebrations, I have spoken to the children in Celebration Assembly today about some new awards starting next week. Watch out for new certificates including EYFS/KS1 Great Reader Award, KS2 Great Reader Award, Writer of the Week, Maths Award, Citizen of the Week and Star Performer.

Also next week is Comic Relief Day. The School Council have been busy preparing a day of fun and laughs with mask-making, basketball shoot out and best comic relief classroom door competition. It will be wear RED for the day - the silliest, most comic clothes or costume will win a prize. Also create a comic relief nose at home and bring it on the day - best entry to get a prize. After school there will be ice lollies for sale (£1.00 each) at the end of the day with all profits going to Comic Relief charity.

Finally a quick reminder : NO CLUBS NEXT WEEK DUE TO PARENT CONSULTATIONS. If you have yet to make an appointment with your child's class teacher for the Parent Consultations please go directly to the Arbor App to book your slot. Any problems please go to the school office where Mrs Scrase will be pleased to help you.

Have a lovely weekend everyone.

Niki Ambrose

My soul honors your soul.
I honor the place in you where
the entire universe resides.
I honor the light, love, truth,
beauty & peace within you,
because it is also within me.
In sharing these things
we are united, we are the same,
we are one.

On Thursday, Sennen Class visited Trembothick Farm and took part in some: pond dipping, insect sampling, damper bread making and nature art. We had a fantastic day and enjoyed exploring the beautiful farm!
