## Mrs Ambrose's Weekly Update

Dear Parents/Carers,

We started this week with a fabulous celebration of the official opening of our Area Resource Base 'Portherras'. Although the weather was against us, the sun shone from our lovely children who were so proud to cut the ribbon with the invited dignitaries.

We welcomed Dr Jenny Blunden CEO TPAT, Chris Wilson TPAT SEND Lead, Chloe Dewar Local Authority SEN team and our families and friends of the ARB pupils. It was a huge success and I must thank Mrs Radford and Miss Johnson for all their hard work in organising the event. Please look at New 2023 Pensans Community Primary School Facebook page for lots of photos.

As you will know we also had our Ofsted Inspection this week. All I can say at this point in time, is that your children were an absolute credit to you all. The inspectors commented on the children's great conduct and politeness. We will receive the final report in about a month's time.

Although we had a soggy start to the week the Key stage 1 children still managed to enjoy their field trips out earlier in the week. Porthcurno class showed off their theatrical skills when they experienced a Shakespearian workshop at school led by the Minack Theatre team. We have some amazing actors in the making and the class loved every minute of it!

Next week Mr R and his super Y6s will have the last big push before the SATs tests the following week from Monday 13th to Thursday 16th May. More detailed information for that week will follow next week.

I hope we continue to get some sunshine over the bank holiday weekend and I'll see everyone back in school on Tuesday 7th May.
