

Pensans Post

Friday 6th May 2022

Dear Parents and Carers,

As you will see it's been a very busy and joyful week at Pensans. We are all so proud of the children, they have been praised by staff and the community for their courtesy, resilience and determination.

Next week is our Year 6's opportunity to shine in their SATs, I'm looking forward to seeing them at 8.15am for some pre test rest, relaxation and fun!

Have a great weekend

Angela Clay

Understanding Understanding

You are practicing

when you...

- Concentrate and pay close attention
- Reflect on the meaning of things
- See the whole picture
- Resist distractions
- Put yourself in other people's shoes
- Forgive others and yourself when you make mistakes

Affirmation

I have an understanding mind. I see the truth about things. I have an understanding heart. I have empathy for other people's feelings.

Understanding is using your mind to think clearly, paying careful attention to see the meaning of things. An understanding mind gives you insights and wonderful ideas. An understanding heart gives you empathy and compassion for others. Understanding is the power to think and learn and also to care.

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

This week we welcomed Penzance Tennis Club in for an assembly and taster sessions. The children had great fun practising new skills! On the 14th May families are invited to their family fun day! There are free tennis sessions for all (see leaflet for info), games and a bbq!

The children have been planting tomatoes donated to the school and sunflowers to remind us of wanting peace in the Ukraine. Other vegetables have been planted for a challenge that has been set for the children to use to create a variety of dishes in the Summer. The children are really excited by the community assemblies that have been delivered by Rev Sian Yates over the year and are rising to the challenges set brilliantly.

A selection of year 3/4/5/6 were chosen to take part in a Quad Kids event at Penwith College on Thursday. The children were fantastic role-models for our school and represented the school with core values. They showed excellence, courage, determination and smiled the whole time never giving up! True sports stars!

The name's Bond...James Bond. Our trio of guitarists paid a spontaneous visit to play an awesome rendition of the James Bond theme yesterday. They showed courage, excellence and joyfulness and gave us goosebumps. Thank you boys. We look forward to seeing you headline at the Summer Festivals in the future!
