Spring term 26/03/2021

Dear Parents and Carers,

We are approaching the final week of the Spring Term and the staff and children have been working together both to create beautiful work and reflect on next steps. As I have said in previous newsletters, we will work together with you and your children to build resilience and joy so that learning is the best that it can be for everyone. It has been a difficult year for all of us and I am proud of our school community, for the commitment you have to the school and each other.

Over the Easter Break there will be further Government announcements regarding the possible easing of restrictions and I will update you with any changes to our provision as soon as I can when we return on Monday 19th April.

Until then please follow the safety protocols that we have put in place regarding; the start and end times of the day, keeping at 2 metre distance from other adults, leaving the site as quickly as possible in the morning and after school as well as sticking to the Bubbles that you have outside of school.

I would like to thank our Chair of Governors for the 'Pet Project' resources that have been provided for the children and I am delighted to tell you that the 'Magic Breakfast' will continue to be provided for all of our children in the Summer Term.

Next Tuesday, our staff will be working on creating a beautiful space on our roof garden. If you have any plants/seeds/garden/ outdoor paint or furniture that you would like to donate to us please email

messages@pensans.cornwall.sch.uk or ring the office so that we can plan how to receive them.

Thank you again for a fantastic week.

Have a safe and peaceful weekend!

Angela Clay

Team Turquoise got into teams, chose Red Nose Day themed team names and tackled the Red Nose Day Quiz 2021...

Aloha Team Turquoise! Stitch here... I want to thank you **muchly** for your generous donations to Comic Relief to make sure that no one gets left behind or forgotten. You should all be very proud of yourselves. I am off to listen to Elvis now... **Stitch over and out!**

Team Turquoise, you demonstrated that you have great general knowledge, can solve random riddles and can Spot the Difference at top speed. You are all leg-ends!

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception ([messages@pensans.cornwall.sch.uk](mailto:messages@pensans.cornwall.sch.uk)) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

**Computer and video games** have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.
