

Dear Parents, Carers and Families,

Our Y6 children have had a busy week undertaking transition days at our local secondary schools Cape, Mounts Bay and Humphry Davy. The children have come back excited about what they have seen, different subjects they have experienced and genuinely appear to be looking forward to the next stage of their education now they've had the first look. I have felt particularly proud that all three schools have commented on our pupils' exemplary behaviour. Well done Y6, you have been a credit to both the school and your parents 😊

Mrs Mungles held a Reading Meeting for Gwenver Class this afternoon and was thrilled at the turn out. Everyone left with a little bit more confidence in supporting their child with their early reading and got to take away a Goodie Bag!

Today we say goodbye to Mrs Preston for a short while as she leaves us to start her maternity leave. We are all excited and await the news of when Baby Preston arrives! We wish her all the best and look forward to having Mrs Preston back in the future.

At the same time we welcome Mr Taffinder who will be doing a job share with Mrs Mungles in leading Gwithian Class.

In the new year we will be opening the Area Resource Base – a Communication & Interaction focussed specialist provision for primary aged children. Mrs Gendall has joined us as a teacher for the ARB and will be helping Mrs Simpson-Edmands to set this up over the next few months. This is where all the building works are happening at the moment!

Thank you for your continued support with our drive to improve our whole school attendance – we are currently in line with the national average of 93% - hurray!!! Keep up the good work 😊

The weather is looking really fine for the weekend so I hope you all get out in the sunshine and enjoy it. Only two weeks until half term – lots of important dates for your diary below.

Have a great weekend!
