

Pensans Post

Friday 10th June 2022

Dear Parents and Carers,

Welcome back to the final half term of the academic year, hopefully the weather will improve and we are looking forward to seeing you at the school events - dates below.

I am delighted to tell you that, Pensans has been allocated funding to develop a new approach to Reading. We will be using this funding to buy resources and train staff throughout this term. Read Write Inc will be fully launched in September. This is being led by Mrs Mungles and parent workshops will be held in the Autumn Term. Dates will be confirmed before the summer holidays. We look forward to including you as parents and carers as your support is fundamental in the development of Reading.

As I mentioned in the last Newsletter I will be sending a survey to ask your views on how we can make school uniform more affordable for everyone. Look out for it next week in your child's book bags. Ideas so far include; a pre-loved uniform 'shop' on site, Uniform Swap Days, Logo Badges being sold separately to be sewn on plain blue sweatshirts, a plain white shirt for PE... I'm sure you will have many more to add to the list!

Our Mazey Day structure is underway with staff and children helping Chris Nixon in the hall - we can't wait to see you there!

Have a peaceful weekend

Angela Clay

Thankfulness

Thankfulness is being grateful for what we have. It is an attitude of gratitude for learning, loving and being. Appreciate the little things that happen around you and within you every day. Think positively. Thankfulness brings contentment.

You are practicing Thankfulness when you...

- Are thankful for the gifts of life
- Appreciate your own abilities instead of envying others
- See the difficulties of life as opportunities to learn
- Enjoy your sense of wonder about the beauty in the world
- Are willing to receive what others want to give
- Count your blessings every day

Affirmation

I am thankful for the many gifts within me and around me today. I appreciate my life. I look for the lessons. I expect the best.

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.
