## Mrs Ambrose's Weekly Update

Dear Parents, Families & Friends,  
Happy New Year everyone. We have returned to school hitting the ground running!

**IMPORTANT:** *If you have a child that is due to start Reception class in September 2025 then you will need to register with Cornwall Council by Wednesday 15th January 2025. Please follow the link here: <https://www.cornwall.gov.uk/schools-and-education/schools-and-colleges/school-admissions/apply-to-start-school-or-transfer-to-junior-secondary-or-ks4-school-in-september-2025/>*

Thank you parents - everyone is looking really smart in their school uniform - please remember from Y1 -Y6 children should be wearing their house ties to school every day. (If you have lost a tie replacements can be bought from the school office) P.E kits need to be in school everyday so please ensure your child brings in their named P.E kit from Monday. Then, if for any reason a P.E day changes or opportunities arise for extra sporting activities the children are always equipped and ready. P.E hoodies should only be worn for P.E or off site school activities - trips etc

Clubs will commence this coming week and information was sent out to parents. Please enrol your child using Arbor. We are excited to welcome a Dance Club starting this Wednesday 15th January. It costs £15 for the half term and this needs to be paid in advance. We are sure there is going to be a good uptake of this so please book your child's place now 😊

As a school we have been successful in securing a part in the PINS Project (Partnership for Inclusion of Neurodiversity in Schools). This exciting partnership work will give children, their families and school staff the opportunity to have important discussions to understand how to best support neurodivergent children and their families within the school community. On Tuesday 14th January 2.00p.m -3.00p.m our partner Lauren Ladd will be leading a Parent Forum at school. Please do attend to find out more or have a space to talk to someone about your child(ren) with neurodiversity, are on the pathway for diagnosis or you believe may be neurodiverse. This is an amazing project and we are so lucky to be part of it and want our parents to get as much out of it as they can. Following the Camp Meeting on Friday Mr R will be sending all information to parents/guardians of the children going on camp. Gentle reminder that full payment for the Y5/Y6 Wales Residential is due this week.

Always a lot of information to get across at the beginning of a new term - so hopefully more news about what the children are up to next week! 😊

Best wishes,

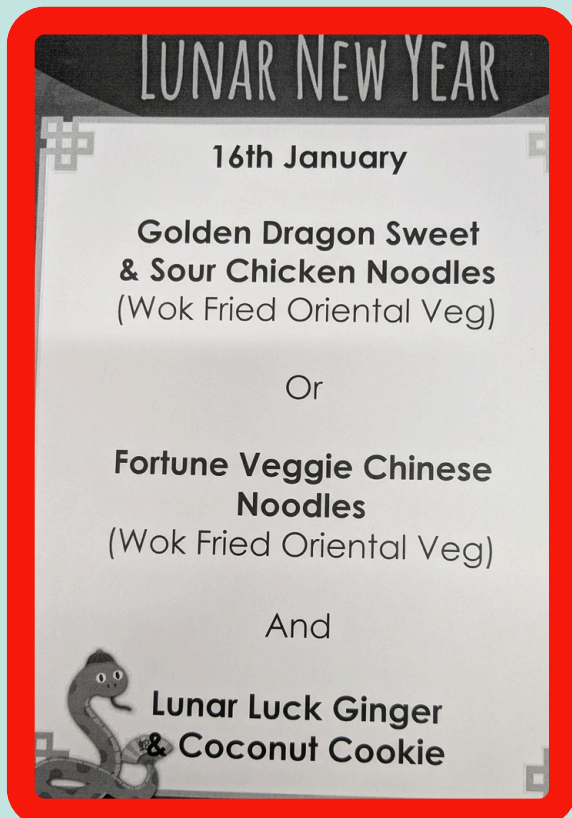

Niki Ambrose
