

Pensans Post

Summer term 11/06/21

Dear Parents and Carers,

It's been a great start to the final half term of the year. We are delighted that our Year 4 and 5 children have been able to spend some of the week surfing. Year 6 had a great project launch at TangleWood and we are able to begin providing some sports clubs and before and after school provision for working parents.

We can also begin welcoming parent volunteers. If you would like to support within class, and you have done this previously, please contact your child's teacher and let them know your availability via messages@pensans.cornwall.sch.uk. You will need to follow very strict protocols that will include taking a lateral flow test before entering the building as well as frequent hand washing.

Although we remain teaching and learning in Bubbles we are hopeful that we will be able to have Summer Fairs in Bubbles - the planned dates are below in the "dates for your diary" box!

Thank you for supporting the Year 6 outcome on The Prom, they have put in so much hard work with the support of their teachers and support staff to create beautiful products to sell - we are proud of their effort and integrity.

Enjoy the sunshine!

Angela Clay

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. This is especially important if your child is currently in Orange Class (Year 2) as from September these children will not be eligible for free meals just because of their age. You will need to apply if you think you are eligible because of your income.

Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

Hooray the library is open again for daily reading!

We are all very excited to be able to use our lovely library every day! It has been disappointing not to be able to use the library as we used to, but great news, now all the children will be able to use the library and will be bringing their reading or Accelerated Reader book home daily to enjoy after school. We know the children are really looking forward to choosing one of the many bright, interesting and fun, brand new books delivered by the library van recently! Our children love discovering what we have in the library and our stock is refreshed termly. For them to develop a love of reading for wonder, fun, relaxation and enjoyment and to make the best progress, it is very important for your children to read every day at home in addition to our school sessions, so please can you help by making sure your children remember to bring their book into school daily.

This year is the 30th anniversary of the Golowan Festival and to celebrate its colourful history since its revival in 1991 they are hosting a pop-up exhibition in the former Argos store in Wharfside Shopping Centre. The Argos industrial unit will be transformed into a fascinating multi-media exhibition commemorating the history of Golowan and its people, for the two weeks in June leading up to Mazy Day.

Due to Covid constrictions and the need to limit numbers attending tickets are needed in order to visit the museum and these should be booked in advance. Details are on their website golownafestival.org or please via these links:

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.
