

Pensans Post

Friday 22nd July 2022

Dear Parents and Carers,

This is the final newsletter of the term and I'd like to thank the Governors and Staff for working so hard throughout the year 2021/22.

Your support and the positive feedback that you have given are greatly appreciated.

Yesterday we held our Year 6 Leavers' Service and the children demonstrated perfectly why they have been such a special part of the school. They have shown resilience, joyfulness and a real Team Turquoise Spirit and we wish them all well, in Year 7 and beyond.

We are looking forward to September, when we are hoping to see much more of you in the school and at events and project outcomes.

Don't forget our new start and finish times in September; class will be open from 8.40am and children need to be in class by 8.50am when the register will be taken. We will finish at 3.10pm.

The children will be welcomed back on Wednesday 7th September and if you have any questions we will answer emails/enquiries on Monday 5th and Tuesday 6th September.

We will have Pre-Loved uniform available on Tuesday 6th September outside Reception.

A huge 'Thank you' to you all.

Have a great Summer Break!

Angela Clay

Unity

Unity helps us work and live together peacefully. We feel connected with each other and all living things. We value the specialness of each person as a gift, not as a reason to fight or be scared. With unity we accomplish more together than any of one of us could alone.

You are practicing Unity when you...

- Treat all people as members of one human family
- See the gifts in differences
- Refuse to join in when others express prejudice
- Solve conflict through listening and finding solutions
- Care for the earth and all living things
- Act like a peacemaker wherever you go

Affirmation

I practice unity with others. The joy of one is the joy of all. The hurt of one is the hurt of all. The honor of one is the honor of all.

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

If you think your child may be entitled to "Free School Meals" please email Mrs Oliver in reception (messages@pensans.cornwall.sch.uk) This also applies to those having free dinners because they are in Reception, Year 1 and Year 2 and have "Universal Infant Free School Meals" because of their age. Our school also receives Pupil Premium funding for each child on Free School Meals so as well as helping you, it also helps our school.

Dear Parent/Guardian,

Cost of living support payments for families on benefits-related Free School Meals

Cornwall Council has received funding from the Government's Household Support Fund to help families with the increased cost of living. The money will support households in the most need against rising living costs, including energy, food and water bills.

If you have a child or children in Reception to Year 11 who is eligible for benefits-related Free School Meals you can claim a cash payment of £80 per child. We hope that a cash payment will allow families to use this support in the way that best meets their needs.

If you are eligible you can claim your payment by completing the form at www.cornwall.gov.uk/schoolmeals. To claim you must be the parent or carer with parental responsibility who made the original claim for Free School Meals.

We will send you full details of how to access your cash payment via the Post Office.

Yours faithfully
