

**Dear Parents, Carers & Families,**

**There is a real sense of community emerging at Pensans with all the trips and visits that have been happening over the first few weeks. So far, our EYFS children have enjoyed the magic of our school grounds, Year1/2 children have enjoyed the toys of yesteryear, our Year 3/4 children have been back to the Stone Age whilst our Year 5/6 children have welcomed visits from the Humphry Davy Prefects and the music ensemble IMS Prussia Cove.**

**This coming week, Years 3, 4, 5 and 6 will be riding the waves with Global Boarders at Gwithian. Our Pensans (C)ommunity (A)spirational (R)elationships (E)xperiences (S)uccess vision, aims to ensure that all our children have diverse opportunities to ensure their: spiritual, moral, social and cultural personal development enables them to be “Future Ready” positive members of society.**

**Within our wonderful grounds, we can offer Forest Schools life skills to all our children, from EYFS through to Year 6. We recognise that, with your support, we can ensure your child’s attendance is as near to or is 100% to enable them to fulfil their potential within the aspirational learning environment that Pensans has to offer.**

**We have received really positive feedback from visitors who have been into the school and from those adults leading workshops within the community regarding the children’s positive behaviours. Your children really have been a credit to us all.**

**I would also like to celebrate my wonderful team whose creativity, flexibility and positivity continues to show that Pensans CARES.**

**Wishing you all a cosy start to the Autumnal days ahead.**

**Mrs Ambrose - Headteacher**

## ONLINE SAFETY WEEKLY FEATURE

### Roblox: new checklist

PEGI rate Roblox with a 'Parental Guidance' label (icon shown right), this is because of the huge level of user generated content within Roblox. It is rated for 'Teens' on Google Play and 12+ on the App store.

You can either use Roblox to create games or play games that other users have created. **As a lot of the content is user generated, it may mean not all games will be suitable for your child to view/play. It is important to set up Parental controls appropriate to your child.**

#### New Roblox Checklist

The 2023 Roblox Checklist created by SWGfL and the UK Safer Internet Centre in partnership with Roblox is now available to download here: <https://swgfl.org.uk/magazine/new-roblox-checklist-available/>
